

Private Capital D&O

The private capital investor market undergoes cyclical changes, and the insurance safeguarding their investments must adapt accordingly. To assist our broker partners, we've established a platform that provides a wide range of carrier options and coverage terms, enabling clients to choose language that aligns with their distinct needs while ensuring market leading coverage. Before a carrier becomes part of our program, we rigorously assess their policy against approximately 65 specific coverage considerations. This approach offers the versatility to provide essential coverage while accommodating specific language preferences of the client and their legal counsel.
